

MODULE PREFERENCE FORMS

Dear student,

With the Module Preference Form (MPF) below you can register for the modules of your choice in the Exchange Programme. Please clearly fill in your name and the name of your university and tick the courses of your choice.

Please note that, for the 1st semester (August 2009- January 2010) you will need to have registered **before 12^h June 2009**. If your MPF is received later than that, we cannot guarantee you a place in the exchange courses of your choice. For 2nd semester students (January 2010 – July 2010) the registration deadline is **1st December 2009** .

We will always do our best to avoid clashes. However, in a number of cases, especially now that courses from other English-language programmes can be chosen as well, clashes may occur. We will always try to discuss an appropriate alternative with you. We advise a study load of 30 – 37,5 credits but please do not register for more than 6 modules.

In case you have any other queries, please do not hesitate to contact me via:
