| aanaarden | earth up | | |
| aanaarden | fill | | to fill |
| aanaarding | fill | | to fill |
| aanbesteden | call for tender | | to call for tender |
| aanbesteden | invite tenders for | | to invite tenders for |
| aanbesteden | call for tenders | | |
| aanbesteding | ontract | | |
| aanbouw | under construction | in aanbouw (alg.) | |
| aanbouw | in erection | v.e. gebouw | |
| aandrijfas | propulsion shaft | v.e. schip | |
| aandrijfmechanisme | operating mechanism | | |
| aangrijpen | act | v.e. kracht | to act |
| aangrijpingspunt | point of action | | |
| aangroei | growth | | |
| aanhechtingslengte | grip length | | |
| aanhechtingslengte | bond length | | |
| aanhechtingspanning | bond stress | | |
| aanhechtweerstand | bond resistance | | |
| aanlanding | accretion | | |
| aanleg | construction | | |
| aanleg | under construction | | |
| in aanleg | under construction | | |
| aaleggen | berth | v.e. vaartuig | to berth |
| aanlegconstructie | berthing structure | | |
| aanlegdiepte | construction depth | | |
| aanleggen | berth | v.e. vaartuig | to berth |
| aanlegkade | berthing quay | | |
| aanlegplaats | berth, berthing place | | |
| aanlegsteiger | jetty | | |
| aanlopen | jetty rafter | | |
| aanmaken | prime | v.e. pomp | to prime |
| aannemen | contract for | | to contract for |
| aannemer | contractor | | |
| aannemersbedrijf | contracting firm | | |
| aanpak | technique | | |
| aanplempen | fill up | | to fill up |
| aannemersvak | contraction trade | | |
| aanslaan | prime | v.e. hevel | to prime |
| aanslag | support of gate | | |
| aanslaglijst | supporting frame | | |
| aanslibben | silt up | | to silt up |
| aanslibbingskust | silting | | |
| aanslibbingskust | accretion coast | | |
| aansluiten | connect | | to connect |
| aansluiten | join | | to join |
| aansluiting | junction | | |
| aansluiting | connection | | |
| aansluiting | link | | |
| aansluitkast | joining chamber | | |
| aanspoelen | wash ashore | | to wash ashore |
| aanstromen | flow towards | | to flow towards |
| aanstroming | entering flow | | |
| aanstroming | approaching flow | | |
| aantasten | attac | | to attack |
| aantasten | affect | | to affect |
| aantasting | attack | | |
| aantasting | affection | | |
| aanvaarhoofd | fender pile | | |
| aanvaren | collide with | | to collide with |
| aanvaren | run into | | to run into |
| aanvaring | collision | | |
| aanvaringskracht | collision force | | |
| aanvoer | supply | | |
| aanvoerbuis | supply pipe | | |
| aanvoerkanaal | supply canal | | |
| aanvoerleiding | supply conduit | | |
| aanvoerleiding | feeder | | |
| aanvoerleiding | headrace channel | v.e. waterturbine | |
| aanvullen | resoil | v. grond | to resoil |
| aanvulling | fill | | |
| aanvullingsgrond | fill | | |
| aanwas | accretion | | |
| aanwaskust | accretion coast | | |
| aanzanden | silt | | |
| aanzanding | silting | | |
| aanzanding | siltation | | |
| aanzanding | accretion | | |
| aanzicht | elevation | | |
| aanzicht | view | | |
| aanzuigen | draw air | v. lucht | to draw air |
| aanzuigen | aspirate | v. lucht | |
| aanzuigen | suck | v.e. grenslaag | to suck |
| aanzuiging | suction | v.e. grenslaag | |
| aanzuiging | aspiration | v. lucht | |
| aanzuighoogte | suction head | | |
| aardbeving | earthquake | | |
| aardboor | auger | | |
| aardkromming | curvature of the earth | | |
| aardvochtig | earth dry | | |
| abiki | abiki | | |
| ablatie | ablation | | |
| abrasie | abrasion | | |
| abrasie coëfficiënt | coefficient of abrasion | | |
| brasief | abrasive | | |
| absolute vochtigheidsgraad | absolute humidity | | |
| absorptie | absorption | | |
| absortieverlies | absorption loss | | |
| accumulatiekust | accumulation coast | | |
| achteraanzicht | back view, rear view | | |
| achterhar | heel post | | |
| achterhar | quoin post | | |
| achterhar | back post | | |
| achterloopsheid | outflanking | | |
| achterwaartse insnijding | resection | | |
| actie | action | | |
| actieve gronddruk | active earth pressure | | |

| | | | |
|---------------------|--------------------------------------------|-------------------------|--------------|
| adhesie | adhesion | | |
| adhesief | adhesive | | |
| adiabatisch | adiabatie | | |
| adsorptie | adsorption | | |
| aeolisch | aeolian | | |
| aequi | | 0 -zie equi | |
| aerodynamica | earodynamics | | |
| earodynamisch | earodynamic | | |
| afbakenen | beacon | | to beacon |
| afbakening | beaconing | | |
| afdammen | dam up | | to dam up |
| afdamming | damming up | werkzaamheid | |
| afdamming | dam | constructie | |
| afdekking | cap | v.e. Damlichaam | |
| afdeksteen | capstone | | |
| afdeksteen | coping | | |
| afdichten | seal | | to seal |
| afdichting | sealing | | |
| afdichtring | sealing ring | | |
| afdichtstrook | sealing strip | | |
| afdrijven | drift | | to drift |
| afdrijving | drift | | |
| afdrukmechanisme | push-off mechanism | | |
| afgraven | excavate | | to excavate |
| afgraving | excavation | | |
| afheien | pile | | to pile |
| afkalven | cave | | to cave |
| afkalving | caving | | |
| afleesschaal | reading scale | | |
| afleesschaal | graduation | | |
| afloop | outlet | | |
| afmaken | trim | v.e. Grondwerk | to trim |
| | | | |
| afmaker | trimmer | | |
| afmaling | drawdown | | |
| afpassen | pace | | to pace |
| afreien | screed | | to screed |
| afschot | gradient | | |
| afschuiven | shear | mech. | to shear |
| afschuiven | slide | v. Grond | to slide |
| afschuiving | shear | mech. | |
| afschuiving | slide | v. Grond | |
| afschuivingsvlak | plane of rupture | | |
| afslag | degradation | | |
| afsluitdam | enclosing dam | | |
| afsluitdijk | enclosing duke | | |
| afsluiten | close | | to close |
| afsluiter | valve | | |
| afsluiting | closure | | |
| afsluiting | enclosure | | |
| afsluitmiddel | closing struture | alg | |
| afsluitemiddel | gate | v.e. Sluis of stuw | |
| afsluitorgaan | closing device | | |
| afsluitwerken | enclosing works | werkzaamheden | |
| afsluitwerken | enclosing structures | constructies | |
| afstand | distance | | |
| afstand | chainage | met een meetband meten | |
| afstandmeter | instrument measuring distance | | |
| afstandmeting | distance measurement | | |
| afstandsbediening | remote control | | |
| afstandsdraad | stadia hair | | |
| afstromen | flow off | | to flow off |
| afstromen | flow away | | to flow away |
| afzakken | bifurcate | v.e. Rivier | to bifurcate |
| afzakken | branch | v.e. Leiding | to branch |
| afzakking | bifurcation | v.e. Rivier | |
| afzakking | branch | v.e. Leiding | |
| afzakningsverlies | branch loss | | |
| aftap | intake | | |
| aftapkoker | bottom culvert | | |
| aftapsluis | intake sluice | | |
| aftaster | follower | | |
| aftekenen | line out | | to line out |
| afvalwater | wastewater | | |
| afvalwaterleiding | wastewater conduit | | |
| afvalwaterzuivering | wastewater purification | | |
| afvlakken | level | | to level |
| afvloeiing | runoff | | |
| afvloeiingsdiagram | hydrograph | | |
| | | | |
| afvloeiingsfactor | runoff factor | | |
| afvoer | discharge | | |
| afvoer | volume rate of flow | | |
| afvoerberekening | discharge computation | | |
| afvoerbuis | discharge pipe | alg. | |
| afvoerbuis | diffuser | v.e. Centrifugaalpompe | |
| afvoerbuis | draft tube | v.e. Turbine | |
| afvoercoefficient | discharge coefficient | | |
| afvoerformule | discharge formula | | |
| afvoergegevens | discharge records | | |
| afvoergoot | discharge flume | | |
| afvoergoot | chute | | |
| steile afvoergoot | chute | | |
| afvoerkromme | hydrograph, discharge curve | | |
| afvoerleiding | discharge conduit | alg. | |
| afvoerleiding | tailrace channel | v.e. Turbine | |
| afvoermeter | flow meter | alg. | |
| afvoermeter | water meter | in een gesloten leiding | |
| afvoermeting | discharge measurement, rating | alg. | |
| afvoermeting | gauging, stream gauging | v.e. Rivier | |
| afvoeregeling | discharge control | | |
| afvoerschaal | discharge scale | | |
| afvoervermogen | discharge capacity | | |
| afvoersvoorspelling | discharge prediction | | |
| afwaaling | fall of the water level due to wind action | | |
| afwateren | drain | | to drain |
| afwatering | drainage | | |
| afwateringsgebied | drainage area | | |
| afwateringskanaal | drainage canal | | |

| | | | |
|--------------------------|---------------------------------|-----------------------------|-------------------|
| afwateringsleiding | drainage conduit | | |
| afwateringsstelsel | rainage system | | |
| afwateringswerken | drainage works | | |
| afzetting | sedimentation | | |
| afzetting | deposition | | |
| afzinken | sink | | to sink |
| aggregatietoestand | state of aggregation | | |
| agitator | agitator | | |
| agone | agonic line | | |
| akoestiek | acoustics | | |
| akoestisch | acoustical | | |
| algebra | algebra | | |
| algebraïsch | algebraic | | |
| alg | alga | | |
| alidade | alidade | | |
| alidadeniveau | altitude level | | |
| alluvium | alluvium | | |
| | | | |
| aluminiumcement | alumina-cement | | |
| amfidromie | amphidromy | | |
| amfidroompunt | amphidromic point | | |
| amplitude | amplitude | | |
| analyse | calculus | wiskundig | |
| analytische meetkunde | analytical geometry | | |
| anemometer | anemometer | | |
| aniline | aniline | | |
| anisotroop | anisotropic | | |
| anker | anchor | | |
| anker, voor -gaan | come to anchor | | to come to anchor |
| anker, voor -gaan | anchor | | to anchor |
| anker, het -laten vallen | drop anchor | | to drop anchor |
| anker, het -lichten | weigh anchor | | to weigh anchor |
| anker, voor -liggen | ride at anchor | | to ride at anchor |
| anker, van het -slaan | break adrift | | to break adrift |
| ankerblok | anchor block | | |
| ankerboei | anchor bouy | | |
| ankerbout | anchor bolt | | |
| ankerkracht | anchor force | | |
| ankerpaal | anchor pile | | |
| ankerplaat | anchor plate | | |
| ankerplaat | deadman | | |
| ankerplaats | anchorage | | |
| ankerschot | anchor plate | | |
| ankerstaaf | tie rod | | |
| ankerstoel | anchor block | | |
| aqueduct | aqueduct | | |
| arbeid | work | mech. | |
| arenofoon | arenophone | | |
| areometer | areometer | | |
| aride | arid | | |
| arm | arm | mech. | |
| artesisch | artesian | | |
| asbest | asbestos | | |
| asfalt | asphalt | | |
| asfaltbekleding | asphaltic revetment | | |
| asfaltbespuiting | asphalt-spraying | | |
| asfaltbeton | asphaltic concrete | | |
| asfaltering | asphalting | | |
| asfalteringsmateriaal | asphalting materials | | |
| asfalteringsmateriaal | asphalting materials | | |
| asfaltinjectie | asphaltic injection | | |
| asfaltmengsel | asphaltic mixture | | |
| asfaltplaat | asphalt slab | | |
| aspirator | aspirator | | |
| | | | |
| astronomisch getij | astronomic tide | | |
| asverdraaiing | rotation of axes | | |
| asverschuiving | translation of axes | | |
| atmosfeer | atmosphere | | |
| atol | atoll | | |
| atoomgewicht | atomic weight | | |
| automatie | automation | | |
| axiaalpompe | axial-flow pump | | |
| azimuth | azimuth | | |
| baak | staff | landm. | |
| baak | leveling staff | landm. | |
| baak | rod | landm. | |
| baakaflezing | rod reading | | |
| baaksokkel | benching iron | | |
| badding | wooden beam | (2.5 x 6.5) | |
| bagger | spoil | | |
| baggerbaas | dredge master | | |
| baggerbedrijf | dredging company | | |
| baggeren | dredge master | | to dredge |
| baggermaatschappij | dredging company | | |
| baggermaterieel | dredgers | | |
| baggermolen | dredgers | | |
| baggerpomp | dredger pump | | |
| baggerspecie | spoil | | |
| baggervloot | dredging fleet | | |
| baggerwerk | dredging project | project | |
| baggerwerk | dredging | werkzaamheid | |
| baggerwerktuig | dredger | | |
| bak | bucket | v.e. Grijpkraan of dragline | |
| bak | barge | vaartuig | |
| bakboord | port | | |
| bakboordzijde | port-side | | |
| bakeliet | bakelite | | |
| baken | signal | landm. | |
| bakkenzuiger | barge-unloading sunctiondredger | | |
| balafsluiter | ball valve | | |
| balk | beam | | |
| balk | joist | | |
| ballast | ballast | | |
| ballasten | ballast | | to ballast |
| ballasten | weight | | to weight |
| bandaling | bandaling | | |
